**“If things seem in control you’re not
going fast enough...”**

- Mario Andretti

SEPTEMBER 24 - SEPTEMBER 27, 2009

THE LYN ST. JAMES "NEED FOR SPEED" EXPERIENCE *For Women Only*

WHAT TO EXPECT

- Authentic Driving Experiences at the World- Renowned Bondurant High Performance Driving School
- Instruction by Lyn St. James and other professional women race car drivers
- Seminar on Mental Skills/Concentration/Mind Control with Performance Expert Dr. Jacques Dallaire
- Connect the Power & Control of your mind with your ability to control a vehicle
- Concentration & Focus = Performance and Results
- Enhance your ability to control your vehicle everywhere
- Daily warm up with Fitness Expert Kathy Smith

"As a former professional golfer I know about concentration, focus and preparation, but the amount of those things that was available inside me became challenged and broadened by my experience with Lyn at the Bondurant School. It gave me so much more confidence when driving under all conditions."

– Lynn Connelly

Former LPGA Player and Executive
at Office Depot and Access Circles
